

Where can I find my username in CABAS and CAB Plan

Where can I find my username in CABAS and CAB Plan?

If you need to change your password, it is important that you know your **username** and to **which email address your password will be sent**.

How to find it:

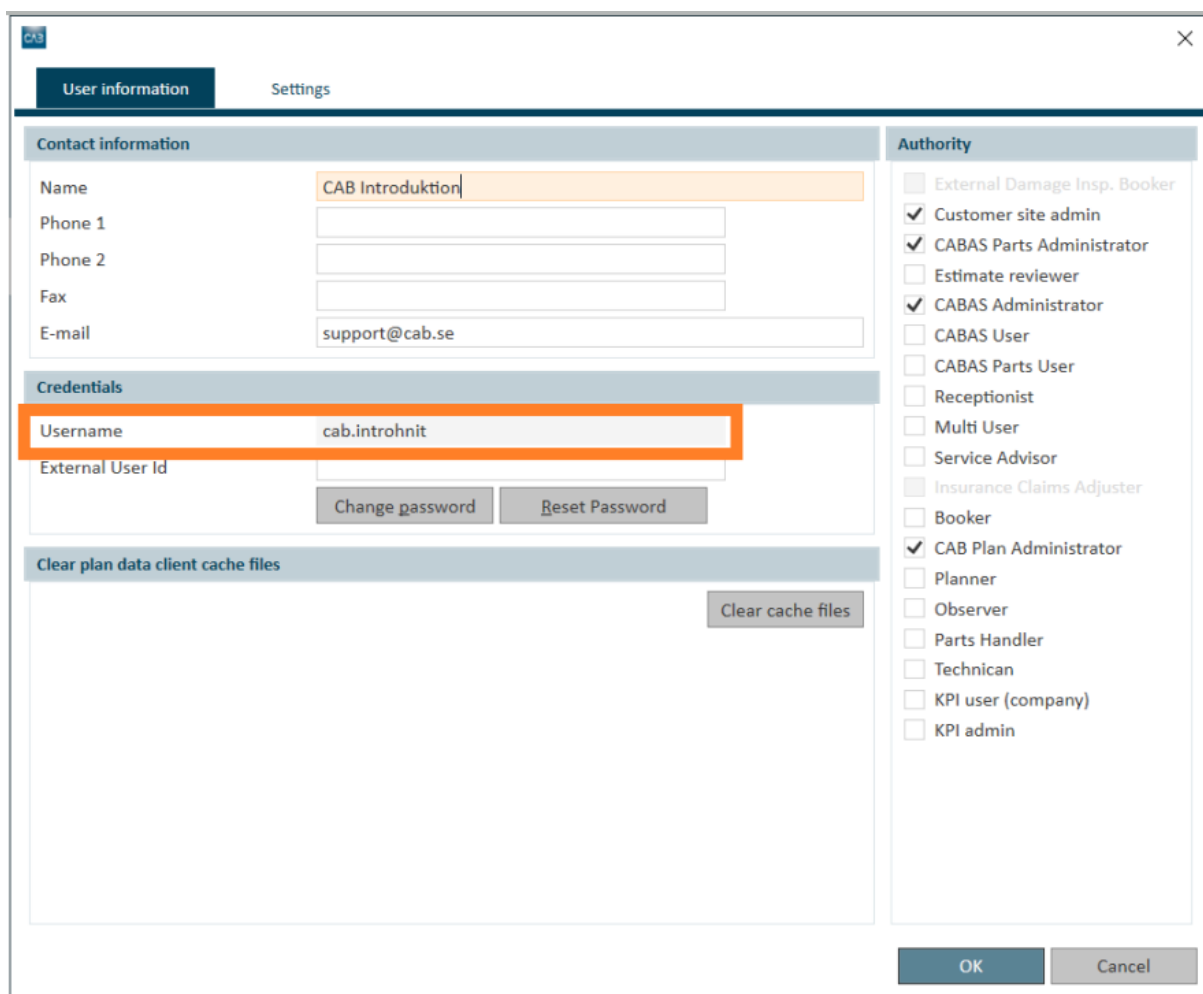

- Go to **Settings, General** and select **Users**
- At the top of the list of users you will find your **username** and the **email address** that is linked to your user.
- If you would like to change your email address or any other contact information you double-click the row with **your name** in the list.

The screenshot shows the CABAS software interface. The left sidebar contains navigation options: CABAS Start, CABAS Info, Settings (highlighted), and CAB Plan Start. The main window displays the 'Users' section under 'General'. A table lists users with columns for Name, Phone 1, Phone 2, E-mail, Fax, Alias, and Active. The 'Active' column contains checkboxes, all of which are checked.

Name	Phone 1	Phone 2	E-mail	Fax	Alias	Active
CAB Introduktion (HNIT)			support@cab.se		cab.introhnit	<input checked="" type="checkbox"/>
Användare 1	019-158688		support@cab.se		GB_CABAS_VST	<input checked="" type="checkbox"/>
CAB User1			support@cab.se		cab.user1	<input checked="" type="checkbox"/>
CAB_Smoke_FB			support@cab.se		CAB_Smoke_FB	<input checked="" type="checkbox"/>
Multi Intro			support@cab.se		multi.intro.hnit	<input checked="" type="checkbox"/>
N Nilsson	070-0000000		n.n@cab.se		n.n1	<input checked="" type="checkbox"/>

- Now it is possible to change your User information.
*Please note that you cannot change your **username**.*
- Click **OK** to save changes.

The screenshot shows a 'Settings' window with a 'User information' tab. The window is divided into three main sections: 'Contact information', 'Credentials', and 'Clear plan data client cache files'. The 'Contact information' section includes fields for Name (CAB Introduktion), Phone 1, Phone 2, Fax, and E-mail (support@cab.se). The 'Credentials' section includes a Username field (cab.introhnit) which is highlighted with an orange border, and an External User Id field. Below these fields are 'Change password' and 'Reset Password' buttons. The 'Clear plan data client cache files' section has a 'Clear cache files' button. On the right side, there is an 'Authority' section with a list of roles and permissions, each with a checkbox. The checked roles are 'Customer site admin', 'CABAS Parts Administrator', 'CABAS Administrator', and 'CAB Plan Administrator'. At the bottom of the window are 'OK' and 'Cancel' buttons.
